

# NCCDPHP Budget

- Chronic diseases are the leading causes of illness, disability, and death in the United States.
- They are also leading drivers of the nation's \$4.5 trillion in annual health care costs.
- With an FY 2024 budget of more than \$1.4 billion, NCCDPHP supports healthy behaviors and preventive medical care to help people prevent and manage chronic diseases.

[NCCDPHP](#)'s total budget for FY 2024 is \$1,433,914,000. NCCDPHP awards over 75% of its budget to state, local, territorial, tribal, and nonprofit partners. See the [funding data](#) section for FY 2024 operating budget details.
